

Edstart makes it easy for you to manage your Pet Professionals Australia course fee payments. We can help you spread large upfront fees into more manageable payments.

## Introducing Edstart Pay

Edstart Pay is an interest-free payment plan that runs up to 12 months.

Instead of a large lump-sum payment, you can spread your payments evenly into smaller weekly, fortnightly or monthly instalments.

You have full control over your payment plan and there are no fees for changing your plan or if you want to pay it off earlier.
