ACM30121 CERTIFICATE III IN ANIMAL CARE SERVICES

Hanrob College (HC) (RTO Code: 70236) operates out of three major Australian cities (Sydney, Melbourne and Brisbane) that provides workplace experience where students can develop their skills in the Companion Animal Services industry. HC has practical training areas with highly skilled trainers to facilitate this course so that students can learn, be confident and be ready for industry upon successful completion.

COURSE OUTCOMES

This qualification is suitable for autonomous individuals who identify and apply companion animal services skills and knowledge in a wide variety of contexts. Job titles for these roles may include:

- Pet shop/aquarium worker
- Boarding kennel or cattery worker
- Animal shelter worker
- Pet minding and exercise operator

Individuals in these roles might be members of an organisation, a team, or as a sole trader.

LICENCING REQUIREMENT

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

However, an individual unit of competency may specify relevant licensing, legislative and/or regulatory requirements. Specific determination should be sought through the relevant State or Territory.

RECOGNITION

Nationally recognised

TARGET GROUP/S

Our nationally accredited Certificate III in Animal Care Services has been customised to deliver a unique compressive course specifically for people seeking employment in the companion animal industry.

THIRD PARTY ARRANGEMENTS

HC does not have any third-party agreements.

ENTRY REQUIREMENT - TRAINING PACKAGE

There are no entry requirements for this qualification.

ENTRY REQUIREMENT – RTO SPECIFIC

Students must:
- be an Australian citizen, or
